Schedule "A"

Attention

As required by the Provincial Health Officer and the College of Chiropractors of BC, during the COVID-19 pandemic, chiropractors can only treat patients in-person when providing "emergent, urgent and/or essential care."

You must schedule an appointment for in-person treatment. Unscheduled, drop-in treatment is not permitted.

Before you can schedule in-person treatment, you must be interviewed by Dr. Klassen of Coast Life Chiropractic to confirm whether you require "emergent, urgent and/or essential care" and to assess your risk for COVID-19 infection.

Dr. Klassen must interview you over the phone or using internet communications. You cannot be interviewed in person.

To schedule an interview, please email Dr. Klassen at [**info@coastlifechiropractic.com**](mailto:info@coastlifechiropractic.com), or phone the office at **604-498-1141**. Please leave a message if there is no answer and Dr. Klassen will get back to you as soon as possible.
